

Indian Creek Christian Church staff and Elders are continually evaluating, praying, and listening to ensure the safety of all our members both spiritually and physically. As our community continues to increase in Covid cases, more and more members enter quarantine, and with the new recommendations from our Governor, we have decided to suspend all in-person services and on-campus classes through December 13th. Though we will not be having in-person services, we encourage you to still set aside an hour of intentional time for worship and engaging in teaching of the Word and communion. Don't allow Satan to use distractions to keep you from giving the Lord your full devotion on His day of worship.

We recognize that these are tough times, and many people have different needs. We also want you to know we have not taken this decision lightly. Our staff and Eldership are working hard on coming up with ways to minister to each of you through this pandemic. The missions we support, the needs of the building, and other expenses continue. In fact, they elevate slightly since we are ministering in new ways to everyone. So please continue to give faithfully through these times. We will also still be having our Fall Harvest this Sunday. Continue to pray over your offering. You can give four ways: Text, Online, Drop Off @ Main Entrance A, and by Mail. (www.indiancreekchristian.com/ways-to-give)

Please join us in prayer for all of those who are suffering with this virus, those affected through quarantine by this virus, for our community, and for each other and our resilience as Christians to persevere through times such as these. Remember that it is our actions and reactions through tough times that show others our faith in our Lord and Savior Jesus Christ. Use this time to be the church to your friends and family by encouraging them, calming fears and angst, and sharing His gospel of hope. We are looking forward to coming together as soon as it is safe to do so. Until then, we will see you online through our website (www.indiancreekchristian.com), our Facebook page (www.facebook.com/indiancreekchristian), or our YouTube Channel (www.youtube.com/indiancreekchristiancynthiana). If you need anything during this time, you can always reach out to our staff at 859-234-5223.

Sincerely,

Staff and Elders of Indian Creek Christian Church
